

January 15, 1975

I believe it is important that we continue to work so that we are not here in the summer and another reason is, if you remember, the ladies or the husband of all previously and currently elected officials are coming into town from a long distance and they are having their meeting tomorrow afternoon. I can further tell you that a civic group, the South Platte Chamber of Commerce, are here to visit with their constituents, the Legislators, and they will have a gathering in the evening for a better visit about their problems that they have. Now this is a civic group. It is not a lobbyist group, as such. It is not a special interest group. It is for the interest of the South Platte and I would like to be here--as many of us be here, at that occasion and the occasion tomorrow afternoon and we do have work that we can do now instead of next summer.

SENATOR BARNETT: Under those conditions, I would agree with you a hundred percent.

PRESIDENT: The Speaker has made a motion and there has been a second that we stand at ease until 11:30. By voice vote, all those in favor signify by saying aye. Contrary. We stand at ease until 11:30.

AT EASE

PRESIDENT: The Legislature will please come to order. Mr. Clerk, anything on your desk?

CLERK: Yes, Mr. President. Mr. President, I have two new bills. Read. LB 209. Mr. President, I have a reference--. Read LB 210. Mr. President, I have a Reference Report. Read. Referring LB 127 through and including LB 184. Signed, Senator Mahoney. Mr. President, I ask to be excused Monday, January 20th. Signed, Senator Koch.

PRESIDENT: Are there objections to Senator Koch's request? It is so ordered, Senator Koch.

CLERK: Mr. President. Notice of Committee Hearings. Read. Mr. President, some more new bills. Read. LB 211; LB 212; LB 213, LB 214. That's all I have, Mr. President. I now have a motion to adjourn.

PRESIDENT: Mr. Speaker--is Senator Burbach in the chamber? Well, there is a motion to adjourn but with your permission I am making it a practice to ask the Speaker if he has anything before it is seconded. Mr. Speaker, there is a motion to adjourn and it has not been seconded. Do you have anything further, sir?

SPEAKER BURBACH: As I indicated before, I would like to--beings we're in session tomorrow because of the various reasons I pointed out before, I do want to thank you for your indulgence, for waiting and taking a recess at this time because now we have quite a large number of bills that can be printed and we can move along progressively, instead of having this as a 24 or 48 hour delay. I again thank you and I renew my motion to adjourn until 10 o'clock tomorrow morning.

PRESIDENT: Is there a second? The chair recognizes Senator Dickinson. For what purpose do you arise, sir?

SENATOR DICKINSON: I guess I am too late, Mr. President. I had a question of the chair and we are in this motion. Am I out of order?
